

For Discussion

On 11 January 2005

Working Group on Closer IT Partnership with Mainland China

Action Plan

End February 2005

- Submit CEPA3 wish list to HKSAR Government
- Request a meeting with Mr. John Tsang, together with WG members / industry representatives

March 2005

- Request a meeting with Liaison Office of the Central Government (中聯辦) on the following matters:
 1. reflect the industry's aspiration on CEPA3
 2. explore the feasibility on facilitating trade associations / professional bodies to set up branch office / contact office in various key cities in Mainland
 3. request for lining up Hong Kong IT industry with trade associations of some industry, which have high potential in adopting IT, in Mainland
 4. promote international recognized IT professional examinations, e.g. PMP, CISA, CISM, CISSP, in Mainland , and also encourage the Mainland IT professionals to take such examinations in Hong Kong
 5. explore the feasibility of holding a series of campaign to promote Mainland-HK IT industry during ITU 2006
 6. organize business delegation to Mainland / to Hong Kong
